CUSTOMER SERVICES Friendly, helpful and there for you Our reputation for great customer service is well justified. No other wholesaler comes close to the 40 helpful and friendly staff we have based across the UK. Experienced, knowledgeable, independent and here to help you throughout the week with your orders and enquiries.	BATCH TRACKING Paperless, fast and reliable The only paperless, easily accessible route to batch tracking. Go online, use our quick search facility and you'll have immediate access to all your batch data, complete with expiry dates. Daily, weekly or monthly, it's simple, fast and reliable.	SAGE INTEGRATION No more typing! Using Sage? Our innovative service lets you download your sales history into a Sage compatible format. So, no need to waste time inputting sales data and run the risk of errors. Our software does all the hard work for you and is completely accurate.	STOCK CONTROL Total stock location control Take advantage of our proprietary systems, together with the guidance of our Account Managers, to maximise your stock control. Also by combining the latest iteration of Vetsolutions' Robovet with our own unique barcoding and scanning support, StockTrax enables you to scan out your pharmaceuticals and consumables from your dispensary and track their exact whereabouts.	PURCHASING POWER CHECK Cost saving analysis Using our own Purchase Analysis system, we'll analyse your current buying practice, together with industry trends - and offer guidance on how to maximise your buying power.	CONNECT IT innovation with results Save time and money with Connect. Offering fast ordering, real time prices and alternative products, as well as live offers and manufacturer data. It doesn't just make ordering a breeze; bespoke functions mean that stock taking has never been so easy while at the same time you can analyse your stock and purchases all on the one system. You'll never be so connected.	STOCKHOLDING Right products, right price, right time With our stockholding in excess of 15,000 items you can save money by keeping your own shelf stock low. Our industry leading level of mainline items enables us to provide you with whatever you need, whenever you need it.	NEXT DAY, NATIONWIDE DELIVERIES Same driver, same van, same time Our own fleet of 80 Mercedes Sprinter vans deliver next day, every day across the UK either direct from our central warehouse or via our overnight logistics hubs. Agree a daily delivery time with us and every order will be delivered by the same driver, in the same van, at the same time.	PRIVATE BRAND Where quality meets value With the buying power of Henry Schein behind us, we've sourced an ever-expanding range of consumables, instruments and equipment for our customers. Combining exceptional quality with competitive prices, they let you save money without compromise.	PET ACCESSORIES Hassle-free and profitable Whether it's our own range or from our selected suppliers, we've sourced the best in pet accessories. We're also unique in supporting you with regular catalogues that are already designed and priced for your customers, saving you the trouble.	BARCODING Industry leading solutions Leading the way in developing in-practice barcode solutions, we continue to do so with 2D solutions. Whether it's consumables or batch traceable pharmaceuticals, we've the equipment and expertise to make it easy.	DENTAL A must for any practice Capitalising on the group's global leadership in dental products, our Dental Catalogue offers the widest range of products and the best possible advice, all available in one easy to use resource from one very easy to work with company.
